

# Grifftabelle für die Böhm-Klarinette

Diagram showing fingerings for notes e, f, fis = ges, g, gis = as, and a on the B-flat clarinet. Each note is accompanied by a drawing of the instrument with finger positions indicated by black dots. Below each drawing is a musical staff with a treble clef and a single note. The notes are: e (two flats), f (two flats), fis = ges (one flat, one sharp), g (one flat), gis = as (one sharp, one flat), and a (one flat).

Diagram showing fingerings for notes ais = b, h, c', cis' = des', d', and dis' = es' on the B-flat clarinet. Each note is accompanied by a drawing of the instrument with finger positions indicated by black dots. Below each drawing is a musical staff with a treble clef and a single note. The notes are: ais = b (one sharp), h (no sharps or flats), c' (no sharps or flats), cis' = des' (one sharp, one flat), d' (no sharps or flats), and dis' = es' (one sharp, one flat).

Diagram showing fingerings for notes e', f', fis' = ges', g', gis' = as', a', and ais' = b' on the B-flat clarinet. Each note is accompanied by a drawing of the instrument with finger positions indicated by black dots. Below each drawing is a musical staff with a treble clef and a single note. The notes are: e' (no sharps or flats), f' (no sharps or flats), fis' = ges' (one sharp, one flat), g' (no sharps or flats), gis' = as' (one sharp, one flat), a' (no sharps or flats), and ais' = b' (one sharp).

Diagram showing fingerings for notes h', c'', cis'' = des'', d'', dis'' = es'', and e'' on the B-flat clarinet. Each note is accompanied by a drawing of the instrument with finger positions indicated by black dots. Below each drawing is a musical staff with a treble clef and a single note. The notes are: h' (no sharps or flats), c'' (no sharps or flats), cis'' = des'' (one sharp, one flat), d'' (no sharps or flats), dis'' = es'' (one sharp, one flat), and e'' (no sharps or flats).

Diagram showing fingerings and musical notation for notes f'' to ais'' = b''.

Fingerings (from left to right):

- f''
- fis'' = ges''
- g''
- gis'' = as''
- a'
- ais'' = b''

Musical notation (from left to right):

- f''
- fis'' = ges''
- g''
- gis'' = as''
- a'
- ais'' = b''

Diagram showing fingerings and musical notation for notes h'' to e'''.

Fingerings (from left to right):

- h''
- c'''
- cis''' = des'''
- d'''
- dis''' = es'''
- e'''

Musical notation (from left to right):

- h''
- c'''
- cis''' = des'''
- d'''
- dis''' = es'''
- e'''

Diagram showing fingerings and musical notation for notes f''' to gis''' = as'''.

Fingerings (from left to right):

- f'''
- fis''' = ges'''
- g'''
- gis''' = as'''

Musical notation (from left to right):

- f'''
- fis''' = ges'''
- g'''
- gis''' = as'''

Diagram showing fingerings and musical notation for notes a''' to c'''.

Fingerings (from left to right):

- a'''
- ais''' = b'''
- h'''
- c'''

Musical notation (from left to right):

- a'''
- ais''' = b'''
- h'''
- c'''

Note: "As-Klappe" is indicated near the fingering for ais''' = b'''.
